You have probably noticed, over the past few weeks, posters and publicity about the BWMCA Quiet Achievers Awards. These awards were conceived to ensure that major community awards on the Coast did not become elitist and that those individuals and groups who went about their work quietly and with little fanfare continued to be recognised. They were the brainchild of John McMahon – a man who could have invented the term multi-task! As he hurtles through his days serving so many community organisations, John still has time for inspired thoughts and this was one of them.

The inaugural Quiet Achiever's Awards last year were launched as part of the Q150 celebrations. The 2010 event will be held on November 21st following a short AGM and will give their "moment in the sun" to dedicated men and women who work so quietly and diligently for their community.

However that moment in the sun won't happen unless we know about these local heroes. **So please, if you know of anyone who deserves this public appreciation of their work, do pick up a nomination form and give them the chance to be recognised for all they do.** Forms are available through our website or at the Old Post Office.

We were delighted to learn recently that our application for Community Partnership with the Sunshine Coast Regional Council has been accepted. This partnership includes grants over the next 3 years to assist with our operational expenditure. In these days of escalating costs it is good to have some security into the future and we thank the SCRC for their understanding of the challenges which face all not-for-profit organisations going into the 2nd decade of the 21st century.

Affiliate group Foote Sanctuary is certainly rising to this challenge. The committee have produced a splendid 2011 calendar to help with their fund raising. Featuring superb images of this beautiful flora and fauna sanctuary in the heart of Buderim's urban development, this would make an excellent Christmas present. The calendar is available at the Old Post Office and costs a modest \$12. And with Christmas hurtling towards us, don't forget the Buderim themed cook books and merchandise also available at the Old Post Office.

It was interesting last week to learn of the initiative by one of the soldiers of 6 RAR Battle Group to raise funds to support the families of comrades who have been killed or wounded in Afghanistan. Armbands are being produced which identify this support and are on sale for \$5 each – a very small sum for the commemoration of such sacrifice. If any of our members would like further information you can email leticia.phelps@defence.gov.au.

Finally, it is good to see the Council engaging in very rigorous community consultation on 'Bart's Land' a.k.a. Buderim District Park – a term which is almost universally unpopular but which Council assure us is a description not a name!

Corner Main and Church Streets, Buderim

NOMINATIONS

Nominations are called for the following positions and must be in the hands of the Secretary 2 weeks prior to the AGM

- President
- Vice President
- Treasurer
- Secretary

plus seven (7) Management Committee members

Nominations for any of the above positions should be signed by the proposer, seconder and nominee all of whom must be members of the Association

Nomination forms are available from the Secretary, Anne Moorhouse or by writing to

PO Box 156, Buderim 4556
or phoning 5477 0945

Delegates from affiliated groups, chairs of sub committees, working groups and project officers all need to be members of the Association in their own right and they automatically become members of the Management Committee

Friends of Buderim

We were delighted with the response to our most recent fundraiser - The Long Lunch in Buderim, which was held on Sunday, 20th June. Setting up on the Saturday, and distrusting the weather, we decided not to risk being outside and moved the lunch into the hall. Four long tables were set up and the following day, they positively groaned under the weight of an amazing selection of food, most of it homemade by various members and supporters of Friends. Jeannette's group of ladies made 27 large quiches and Geoffrey Hole produced some 20 magnificent French terrines. It was indeed a feast.

Over \$4,000 was raised which will be put towards the renovation of the hall toilets. I would like to thank the 150 guests who attended, many of whom remain our loyal supporters – without you, these functions would be impossible. If you missed out this year, be sure to book your seat early for next year's Long Table in Buderim. It will be even bigger and better. More details later.

Thank you everyone.

Remembrance Day

The Buderim Remembrance Day Commemoration will be held in the Eric Joseph Foote War Memorial Sanctuary on Thursday 11 November. The Commemoration will commence at 10.40am and conclude around 11.15 am.

The guest-of-honour will be Mr Mick Hourigan a former National Serviceman and Vietnam Veteran. Music will be provided by the String Ensemble and Choir from the Buderim Mountain State School. Morning Tea will be served at the conclusion of the Service.

Red poppies will be on sale for a gold coin donation at the Old Post Office during the week leading up to Remembrance Day and at the Foote Sanctuary on 11 November. Proceeds from the sale of poppies will go to the Returned and Services League of Australia to support our war veterans.

B150

In 2012 we will be celebrating 150 years since the first official record of Buderim was made by timber getter, Tom Petrie. The enthusiastic response from groups keen to participate and individuals offering to help has been unprecedented during my involvement with community life in Buderim.

In summary the plan is for a whole year of activities. Some of the program will be existing annual events with a B150 flavour and some will be new events. The goal is to

Celebrate what makes Buderim so attractive to residents, past, present and future

Promote what has been achieved over the past 150 years

Reinforce pride in those achievements

Embrace and involve every member of the community in activities and events that have strong appeal

Organisations who have not yet responded are encouraged to do so as soon as possible. There will be extraordinary marketing and membership development opportunities for most Buderim groups choosing to get involved.

You might like to take up the offer for a B150 working group member to attend one of your meetings to explain more about what's planned.

15 months to go!

Buderim Community Muscle

Did you know you can join Buderim Community Muscle and help provide the glue and camaraderie that binds communities together. Yes – Join Buderim Community Muscle and help strengthen Buderim's special community spirit.

It costs nothing to join and it is a great way to meet others, get involved and help make community events happen.

Buderim Muscle is a sub-committee of the BWMCA. As a new member you just

add your name to a list of willing volunteers who are happy to give a few hours of their time - say once or twice a year – helping organize community events such as Australia Day, Anzac Day and Carols by Candlelight. When an event is near you will be contacted by email or phone and if you are willing and able to help then please grab the chance to be involved.

When you join, attend as a helper at any event and sign our helper register you automatically become an honorary member of the BWMCA and so are covered by the BWMCA's insurance.

All are welcome. Please contact Peter on 54534793 or call into the Old Post Office and fill in a membership form.

Australia Day 2011

Did you know that the BWMCA has been staging Australia Day celebrations on Buderim for approximately 25 years. This is certainly an achievement for any community.

The 2011 Australia Day Committee is well on track to continue this tradition and is currently hard at work with planning for another special day

Parade organizer, Meg Scott, has a busy couple of months ahead contacting all those loyal community organizations who add so much colour and interest to the parade, certainly a mammoth task, especially in today's world with ever changing office bearers, email addresses, contact addresses, insurance and other bureaucratic requirements. Once again, the Maleny Light Horse has agreed to lead the parade. For sure the parade will be a highlight with lots of colour, music, floats and an opportunity for all local community groups to be involved.

Along with Meg other community members are hard at work on planning lots of vibrant oval entertainment, multicultural food stalls, budgets, parking and traffic control, and just generally ensuring that the day will be a special opportunity for everyone.

Quiet Achievers Awards

We are now in full swing with the Awards. Publicity is being generated, posters are up, VIP's are being invited and the actual design of the award has been finalised.

Now we wait for the nominations to arrive!

The Awards Presentation this year will follow a brief AGM on Sunday November 21 in the War Memorial Hall. Proceedings will commence at 2pm and Friends of Buderim will be providing more of their legendary refreshments at the close of the Awards Presentation Ceremony. The evening is expected to end by around 5pm.

Our ability to recognise and honour our local heroes – the Quiet Achievers – is dependent on your nominations of people you feel have done an outstanding job in the community. Nomination forms are available on line at www.bwmca.com.au or from the Old Post Office.

All members re invited to attend but because seating will be limited we must ask that RSVP's are received by October 31st so that the final seating plan can be completed and numbers for catering established. RSVP's can be made by ringing 5477 0945 or by emailing bwmca@bigpond.com.

Finance and Compliance

The Committee continues to discuss issues which include:

- * Financial processes and procedures. A set of guidelines for proposed financial management for the BWMCA will be produced in the near future;
- * Risk management for the BWMCA assets;
- * Planning of funding for the annual maintenance and future capital works on buildings owned by the BWMCA as part of the budget process; and
- * Investment strategy.

Buderim War Memorial Hall

As we go into our busiest time of the year I am sure our forebears would be pleased at the amount of use our Hall is getting. From August to December we rarely have a spare weekend, with a myriad of functions catering to large crowds, and we are now at the point of having capacity use of the hall through the daytime as well.

Plans for the toilet renovations are progressing but we are having difficulty in getting builders to return calls. If you know of a builder who may be interested please let me know.

From the Archives

I am pleased to report that the archives project, which was proposed some four years ago in our strategic plan, is very close to completion.

We now have electronic copies of:

- *all Committee Minutes from our beginnings in 1945 to the present day,
- *a list of all key Committee Members from our beginnings to the present day,
- *Buderim Community Bulletins 1945
- *digitally taken photographs of our special events,
- * our Constitution,
- * various Powerpoint presentations that have been done over recent years,
- * a history of the BWMCA beginnings of the Old Post Office information Centre'
- * various items of historical significance including the USC study of the Association, Friends' cookbooks, and our strategic plan.

Obviously it has been a time consuming project and I would like to thank those who have taken part in the venture. Initially David Woodrow for initiating the project; then Robert Wood and later Jay Shanmugam who both came to us from Volunteering Sunshine Coast bringing expertise which was proving difficult to find within our organisation and who

freely gave us hours and hours of their time. From within our members, Anne Crosby and Mal Moorhouse both shared their camera skills and showed a great deal of patience when it came to copying year after year of minutes. Some of these were yellow with age, in a very fragile condition and difficult to copy. A sincere vote of thanks to all of you for your contributions.

Also thank you to Grace McLuskie Higgs for sharing some old and precious newsletters – from time to time I will share with you some of the interesting items from these and from the minutes. Are there any more like Grace out there who have a little bit of history stored away? What I would like to find are photographs of our founding members and those who have held key positions over the years. With the drudge work done, it is now time to begin on the fun stuff and it would be great to have faces to go with the names. If you can help, please call me on **5477 0484**.

Remember it is only BWMCA connected photographs and information that we are seeking – we have the Historical Society for general Buderim history.

I look forward to hearing from some of you.

Invitation

The BWMCA 65th Annual General Meeting will be held on Sunday 21st November 2010 at 2:00pm sharp in the War Memorial Hall.

This will be immediately followed by the BWMCA Quiet Achievers' Awards Ceremony and we would like to invite all our members to join us for both events.

We anticipate a large number of guests for the Awards and as seating will be limited we ask that you advise us in advance if

- a) you will be attending and
- b) staying on for refreshments after the Ceremony.

The evening is expected to conclude around 5:00pm

Please RSVP by leaving your name and the number attending by either

- a) calling at the OPO
- b) Phoning 5477 0944 or
- c) email to bwmca@bigpond.com

Buderim Garden Club

Our meetings are held at 2.00pm on the second Friday of each month from February to November, at the BWMCA Hall and include a guest speaker on a relevant gardening topic relating to local conditions. I look forward to greeting you at our meetings.

The Garden Club welcomes visitors to the meetings and average attendance this year has been 101 members and visitors.

Our major function for the year, the Buderim Garden Festival and flower show, on September 11 and 12 will be over by the time this issue of the Newsletter comes out. We hope you enjoyed it!

Other activities of the club include a regular program of workshops for smaller groups in local gardens, and bus trips to places of interest. These are very popular and give better opportunities for participants to expand their knowledge and make friends.

BATS Theatre Co

The one act play "I Want a Meter Maid at my Funeral" has competed very successfully at eight drama festivals in SE Queensland.

The McMahon family were able to bring home at least one prize from each Festival except one and the one they didn't get a prize from was because the host group did not give a third placing.

In January BATS will again present a Pantomime, "Snow White."

Buderim Bowls Club

As the warmer weather approaches and our visitors from the southern states and NZ begin to go home, we are preparing to turn on the lights and restart night bowls. Club members play on Wednesday nights and on Friday nights we have barefoot bowls or come-and-try, with bowls and equipment provided and a sausage sizzle.

Inside on Friday nights members and visitors enjoy a 3-course meal for \$12. Bookings must be made by ringing the Club on 5445-1104 by 5 p.m. on Thursday. Pay at the kitchen when you come. Bar facilities are available for players and diners. For regular visitors, social membership is available for \$5 per year. Free coaching is available on Monday afternoons or by appointment. New members are always welcome. The weekly social and competitive bowls program and other information can be seen on the website at buderimbowls.platypus.com.au.

Preparations are in hand for 25 children from Buderim Mountain State School to have bowls lessons. Other schools or parents who would like their youngsters to be introduced to this virtually injury-free lifetime sport should contact the club at the number above. Competitive club bowlers are currently engaged in inter-club pennant competitions, the men in five divisions and the ladies in one, with mixed success.

SC Concert Band

In the last 3 months, members of the Sunshine Coast Concert Band have been very busy practicing for, and performing in, 3 charity concerts, and also holding a most enjoyable "Back to the Ballroom" dance.

As a consequence, a total of just over \$10,200 has been distributed to the Cittamani Hospice, the Coolum Chaplaincy and the St John's "Hear & Say" Centre.

The "Musical Memories" concert in Caloundra was held to recognise the Cittamani Hospice's wonderful support activities, and was also dedicated to the memory of our Music Director Ken Chadwick's wife Val, who passed away in November last year. There were rave reviews from the audience, who appreciated the high standard of entertainment and the choice of pieces - especially the piece "A gift of Song" which Val had written for Ken, and was sung by Ken Farrow.

The "Classical Cupcakes" concert, which was held on August 21 at St Mark's Anglican church in Buderim, had even the passing parade of people who voted in the adjacent hall enthralled by the sound effects in the "1812 Overture" which ended the concert. The concert was booked out early, and will definitely be repeated next year.

All the Band's concerts showcase lively tunes and popular songs which demonstrate the versatility and the competence of the Band.

Now on the calendar, we have a "September Songs" concert at Caloundra Rise, a "Spring Ball" on Saturday 9th October, (bookings with Helen on 5477 1037), then the very popular Remembrance Day concert for Legacy on Sat. 6 November at Wise's Rd. Centre. And for something completely different this year, there'll be a "Kawana Carols" concert in the Kawana Community Hall at 2pm on Sunday 5 December. Christmas is coming up very fast!

The SCCB's details and activities are available on www.sccb.org.au

National Seniors Australia Buderim Branch

Once again, we had Christmas in July at Tranquil Park near Maleny, followed by a successful AGM and trivia quiz at the August meeting. The guest speaker at the 27 September meeting will be author Judy McNeill, who will tell her story and have publications for sale. There will also be a bring-and-buy sale. Two days later, on Wednesday 29 September, we will hold the Annual Fashion Parade at 2 p.m. at Buderim Bowls Club. Ladies' fashions will be by *Noni-B* and men's by *Lowes*. Tickets are available for \$10 at the OPO, Buderim Pharmacy, or at the door on the day. Devonshire tea, lucky door prizes and raffles will be available. All are invited.

Our October outing will be to Oktoberfest at Caloundra RSL, with a sumptuous meal and entertainment by Greg Doolan. If we have 40 members attending the coach will be free. In November we're planning a b.y.o. picnic or barbecue or fish and chips lunch at Mooloolaba Spit and are also considering a trip to the Broncos Leagues Club in Red Hill. Following the closure of *The Sanctuary* we will have our Christmas party in December at a different venue.

Membership of National Seniors Australia is open to all those over 50. Benefits include government and other seniors' magazines; shopping, travel and insurance discounts; lobbying power for seniors' issues with the national government; monthly meetings and activities; and new friendships and social life. The Buderim Branch meets at 9:30 a.m. on the fourth Monday of each month at the Buderim Bowls Club, Elizabeth Street. We are a friendly lot and welcome visitors and new members.

Matthew Flinders Anglican College

MFAC students welcomed their grandparents to school on Wednesday, August 18, to show them what happens at school in 2010. Grandparents young and old travelled from interstate and even overseas to share the morning with their grandchildren.

Highlights of the annual event this year included Year 2 scientists conducting experiments at the Science Fair and the Prep students displaying their artwork in "Our Grandparents' Gallery". Year 3 children showcased an exhibition of Australian landscapes, and Year 4 delved into the theme of "First Australians". Year 5 students presented a Game Maker demonstration of computer technology used in the classroom, and Year 6 students a "2010 Showcase".

There was a huge line-up of entertainment in Flinders' new Primary Pavilion, which was funded by the Federal Government's Building the Education Revolution Stimulus Program and opened earlier this year.

Items during the day included a Prep Concert, Year 1 Young McDonald's Farm, Year 3 Recorders Presentation, Year 4 Poetry Finals and Strings Presentation, Year 5 Singing Presentation, and a medley from the Year 6 musical, *Alice in Wonderland*.

The Junior Primary Choir and the String Ensemble performed for grandparents, and the finale of the morning was a concert led by the Flinders Band, Orchestra and Choir.

The hotly contested Year 6 and 7 Oratory competitions were held in the Drama Theatre and Lecture Theatre, and the Primary Library, Computer Lab and Art Room were also open for students to show their grandparents how and what they learn in 2010.

Head of Primary Bruce Winther said, "Grandparents make a unique and precious contribution to children's lives and at Flinders we are committed to encouraging this involvement on all levels."

Buderim Mountain Toastmasters Club

It's not just all about the toast!!!!

The first Toastmasters meeting was held in a YMCA basement in Santa Ana California in 1924. Today Toastmasters International is a worldwide organisation with over 260,000 members in over 12,500 clubs in 113 countries. More than two million people have benefited from the Toastmasters program since its inception.

Buderim Mountain Toastmasters Club recently celebrated its tenth birthday. In this time approximately one hundred members have improved their public speaking skills and self confidence, through working the proven Toastmasters program. Participants practice and learn skills by filling a meeting role, ranging from giving a prepared speech or an impromptu one to serving as meeting chairman, timer, evaluator or grammarian. There is no instructor; instead, each speech and meeting is evaluated by a fellow member in a positive manner, focusing on what was done right and what could be improved.

As well as the regular meeting program, Toastmasters clubs also compete annually in a series of competitions in a variety of disciplines: impromptu speaking, evaluation, humorous speeches and the international speech. Club winners can then compete at area, division and district level. Our district includes all of Queensland, northern NSW and PNG. The winner of the international competition at the district conference in Inverell, NSW from 29 April to 2 May, will represent the district at the Toastmasters International convention in the United States.

Buderim Mountain Toastmasters Club is also involved in the community by running Speechcraft courses to benefit non-members. This year courses were run at the Montessori School and for a group of unemployed undertaking re-training through the Green Army program at the Native Nursery, Mooloolah. Distinguished Toastmaster Judith McConnell, who co-ordinated this course provided this summary -

Buderim has just completed a successful

Speechcraft course at Mooloolah. It was a 6 week course and we had 7 members graduate. This course is a great help for those who need encouragement to express themselves and build their self esteem. People start the course unsure of themselves and frightened to speak in front of other people. By the end of the course most people who have embraced the course have a new lease on life.

I encourage everyone to look at Toastmasters as a valuable learning tool. Toastmasters is the most supportive learning organisation the you can join.

Buderim Male Choir

The Buderim Male Choir held its annual 'Music for Life' benefit concert on 20 June at the Coolum Civic Centre raising \$1500 for this year's beneficiary, the Sunshine Coast Community Hospice. Then on 22 August, the choir performed at the Lake Kawana Community Centre, a concert compered by choir patron Andrew Lofthouse with international guest artists, the Lipman Harp Duo.

Another quality concert is scheduled for 17 October at the Caloundra Uniting Church where guest artists will be Vox Pacifica, a Brisbane-based chamber choir with a very diverse repertoire. Then on 20 November, the choir plays host to New Zealand's Wellington Male Voice Choir at the Lake Kawana Community Centre where each choir will perform separately for parts of the concert, then combine as a choir of more than 60 male voices. It should be quite special.

Musical director Brendan Scully is achieving high quality tonal sound with a choir that has lost a few members from last year's peak. Any time is a good opportunity for interested men to join and the choir always welcomes new members of all ages in the tradition of openness that's held over the past 35 years. The choir is very much a Sunshine Coast group with members coming from all parts of the region, and recognised as one of Australia's finest male voice choirs. Montessori International College

Montessori International College enjoyed a vibrant morning celebrating and honoring the Montessori Children's Foundation and a chance to share our beautiful Montessori environment with our Grandparents. The Montessori Children's Foundation has been established to champion the cause of all children. The Children's Foundation will help to bring hope to those who have been unable to break a cycle of dependence and who live in poverty in Australia, through no fault of their own – because they are children.

Our community via the Montessori Children's Foundation has embarked on a worthwhile and profound journey together; a journey that will change the landscape of humanity. The Montessori Children's Foundation Day celebrations provided a platform to officially launch the Montessori International College Indigenous Fund.

Many hours were afforded to researching the different ways the college could establish such a fund and this work has resulted in the realisation of the MIC Indigenous Fund. The fund has been founded in order to facilitate schooling for local indigenous children who otherwise might not have the opportunity to experience Montessori education. The Official Ceremony commenced with a traditional welcome from local indigenous healer, Jeremy Donovan. The guest speaker, speaking on behalf of the Montessori Children's Foundation, was Kay Boulden. The MIC community joined together in collective spirit to further the epic journey.

Buderim Local Ambulance Committee

The AGM was held on August 17 and was attended by Assistant Commander Chris Bloomfield, OIC Fred Mellish, QLAC rep. Ken O'Connell, Cr Christian Dickson, Lynn Moss, Simon Whittle and members of the LAC and CPR Community Awareness Committees.

Our OIC Fred Mellish is taking long service leave and then he will retire from the Qld Ambulance Service after 37 years of service during which time he gained many QAS awards. We wish him well in his retirement.

Fred has been 26 years at Buderim Station and is a well-loved member of our community. He has been mentor to scores of student paramedics with Buderim being a teaching station. He has also received high recognition as a Scout Leader and has worked with the Nambour High Youth Action Program.

CPR Coordinator Don Culley, after successful classes at Buderim Mt State School instructing 207 Grade 6 and 7 students in Basic CPR awareness, has offered this training to several other regional schools. Classes for adults are available if requested.

Probus Club of Buderim Mountain

Social activities enjoyed by club members over recent months included a day trip to Noela's Gardens and Parrots in Paradise, a Noosa River cruise with lunch, the Bob Martin Shield annual bowls tournament at Mapleton, a day trip on the Mary River Rattler and Xmas in July at the Imbil Hotel, morning tea at La Balsa Park on the Mooloolah River, and 2010 PAQ annual picnic/ friendship day at Caloundra.

Members also enjoyed social golf, technology/computer group and investment and armchair-travel groups meetings and dine-outs. A newly formed book-exchange club is providing members with an added interest.

Guest speakers who provided interesting talks at the club's monthly meetings included Buderim author Sally Henderson on wildlife in Africa, Stuart Cochran on his experiences of walking the Kokoda Track and Drs James and Christine Dick on the role of Mercy Ships operating along the African coast.

Upcoming social activities include a day trip to the Queensland Tennis Centre and State Archives, a mystery car trip, morning teas at La Balsa Park, social golf, technology/computer, investment and armchair travel groups meetings, and dine-outs.

Buderim Indoors Bowls Club

The Indoor Bowls Club was formed over 30 years ago. To my knowledge bowls were played in the BWMCA Hall until about 3 years ago when the Club then moved to the Buderim Mountain State School activity hall.

We are a Club of 55 members, the majority of whom are senior residents. Indoor bowls is a great opportunity for social activity as the game is not all that strenuous, though we do play for various trophies throughout the year. The main competition is for the Buderim Cup. We also play Mixed Pairs, Ladies & Gents Pairs, Mixed Triples, and also for the "Ottie Engler" trophy.

In conjunction with the Woombye Indoor Bowls Club we play three State of Origin matches during the year in which Queensland-born players play against the Rest.

We are always seeking experienced or new players to join our Club to enjoy a social outing on Wednesday nights or Saturday afternoons.

Please feel free to contact me on 5445 2997

Foote Sanctuary

It has to be the ultimate Christmas gift from Buderim to send to your friends and relations all over Australia and the world! It is the Foote Sanctuary 2011 Calendar now on sale at the Old Post Office, the Ginger Shop, Le Baroque restaurant, Wirreanda Newsagency and at the Garden Club Festival for just \$12. The whole production was carried out by the volunteers of the Sanctuary Association. Photography was by Leona Hole and Lorraine Brace and what a magnificent collection of pictures of all aspects of the Sanctuary they created ranging from close ups of fungi and flowers to soaring gum trees and the rain forest area.

Sue Moore and Val Sellars oversaw the production and the marketing. All of us who work each week in the Sanctuary are extremely proud of the great works these ladies have done. There will be a modest profit for the Association to purchase plants and trees native to the area.

It is really a celebration of the beauty and complexity of the area which we invite you to enjoy in life by visiting and to help your friends and relations enjoy at a distance.

Work continues apace at returning the Sanctuary to its origins with steady but tough work of removing trees and shrubs which are not native to the area, such as camphor laurels and Queensland maples and the dreaded ochra shrub. Along the western boundary, near the "perched swamp", another unique feature, there have been extensive plantings of trees such as the majestic kauri pine. The Sanctuary is one of Buderim's most beautiful assets and the volunteers take great pride in its enhancement both through the provision of facilities and the continuing engagement with its natural wonders.

Sunshine Statesmen Barbershop Chorus

The most recent significant event for the Sunshine Statesmen Barbershop Chorus was the annual concert "Sound Celebration" on Saturday night, 28 August, compared by Ken O'Flaherty. The War Memorial Hall was filled and the audience enjoyed a variety of artists and songs.

Guest artists included the dulcet-sounding Sunshine Coast section of the Australian Youth Choir, directed by Sarah Laws, the great Hot Ginger ladies' chorus and the ladies' own well-known quartet, Quintessence.

The audience was also treated to some top quality barbershop singing by the fantastic Gold Coast quartet, Benchmark. Benchmark has won the Queensland Open and Senior quartet gold medals for the last three years.

The show was, of course, opened by the thirty-strong Statesmen with a bracket commencing with the stirring number, "Sound Celebration", and closed with another selection including the audience favourite, "Hello Mary Lou". Several of our new members were celebrating

their very first sing-out following our membership drive. Being the Chorus' 20th Anniversary, a number of former members were present and these men joined the Statesmen for the final number, *Let's Get Together Again*.

Our next major appointments will be Christmas sing-outs.

We rehearse on Wednesday nights at the Buderim Uniting Church hall and visitors are most welcome. Ring 54442098 for details.

Buderim Cricket Club

A successful senior & junior U10-U17 Cricket sign-on was held 14/15 August for the new cricket season commencing 2 Oct. Players still wishing to sign on for junior & senior cricket please contact kathy@oztechmanufacturing.com.au or phone 54451995. Details on club website www.qldcricket.com.au/clubs/buderimcricket

Milo In2cricket is an introductory program to cricket for 5 - 9 year olds. Sign on was on 9 Sept 3.00pm on the Buderim School oval. Cost is \$70 per child, with each child receiving a Milo cricket backpack containing shirt, hat, cricket bat, ball & more. Program will run from 8 Oct - 26 Nov, 4.30 to 5.30pm at the Ballinger Park Sports Reserve. Phone coordinators 0420 537536 or 0412 166441 or see club website for details.

Probus Club of Buderim

One of two outstanding successes last month was our luncheon at *King Ludwig's Restaurant* near Maleny. Diners willingly participated in the Bavarian-style entertainment that followed, providing great mirth. Meanwhile other members were enjoying a well-planned week-long tour of the Gosford region of NSW.

New Convenors, Ross Litchfield and Rob Warren, have quickly taken up their role and planned an Automotive Adventure Tour on 25 September. On 27 October we will have a trip to *Noosa Botanic Gardens* with lunch and then a silent movie at the *Majestic Theatre*, Pomona.

In November members will go to see *West Side Story* at the *Lyric Theatre* in Brisbane. Our next long tour, in March 2011, will be what promises to be a fascinating international tour of Taiwan.

Gourmet gallivanting goes on apace with luncheons at the *4th Floor Restaurant*, Mooloolaba in September, *EBB Restaurant*, Maroochydore in October and *Le Relais Bressan Restaurant*, Flaxton in November. Following the closure of *The Sanctuary*, our Christmas luncheon will now be held at *Clio's on Rosemount*. After losing our July bowls morning to inclement weather, we were pleased to have a team go to the Queensland Probus Bowls Tournament at Capalaba at the end of August and we look forward to our September bowls morning and then the RSL Mixed Triples Tournament in October. Our best wishes go to Club stalwart Lloyd Price for a swift recovery after his recent surgery. The Investment Club and both computer groups will especially welcome his return.

Buderim Mt. Red Cross

Yet another disaster has hit the world! More than 12million people are estimated to be affected by the worst floods to hit Pakistan since 1929. Red Cross workers from Australia have joined the International Red Cross and Red Crescent team in a massive rescue and relief operation. The pictures we see on TV of starving children and their families are heart-breaking.

The money we raised with the raffle at our recent AGM will be going towards this cause so thanks to everyone who bought a ticket.

BYTE

(Buderim Youth Theatre of Excellence)

July/August was a very busy, yet successful time for the young performers at BYTE. Fifty teenagers competed at the Brisbane Arts Theatre Festival in July.

The cast of *Prelude to a Time Machine* won 2nd Best Play, whilst Elizabeth Mahoney won Best Lead Actress and Joseph Lai Best Lead Actor for their roles in *Dracul*. Alex Zillack and James Carroll received Awards of Distinction for the *Time Machine*.

August saw a great number of BYTES students participate in the Sunshine Coast Junior Eisteddfod. From our eight year olds right through to the year 12's, there were some magnificent performances. Apart from many placings in individual items, the students were very successful in achieving the top aggregate marks:

1st Senior Speech Championship was James Carroll

2nd Senior Speech Championship-Jade Dempsey

3rd Senior Speech Championship- Meg Hickey

1st Senior Drama Championship- Vanessa Fernandez

3rd Senior Drama Championship- Katherine Ernst

1st Junior Drama Championship- Riley Cope

2nd Junior Drama Championship- Jemima Lai

Conor Grace won the top humorous verse of the Eisteddfod and Ryan Forbes received the Alan Beattie Trophy for the

highest mark of the Speech and Drama Eisteddfod-97 marks for his *Macbeth*. BYTES senior students won the Group Musical Theatre, Group Mime and Group Improvisation.

Performing *Prelude to a Time Machine* and *Dracul*, once again at the Sunshine Coast Theatre Fest, but with different casts, the BYTES performers rose to the occasion.

Prelude to a Time Machine won Best Youth play and *Dracul* took home Best New Australian Script for Peta Beattie, Best Director for Robyn Ernst, Best Actress in a Supporting Role for Caitlyn Elliott, Best Lead Actor for Brandon Maday and Best Lead Actress for Tayla Micallef. Tayla also took home the \$200 Bursary. Conor Grace, Jade Dempsey and Tilly Allard received Certificates of Distinction.

With the Eisteddfod and Theatre Fest now firmly behind them, the BYTES performers can commence preparations for their end of year season.

Musical Theatre students are presenting *ALADDIN* and *THE PIRATES OF PENZANCE*, whilst actors are presenting *AS YOU LIKE IT*, *WEST*, *THE TEMPEST* and *MASCHIERA*. All performances will be at the Buderim Memorial Hall throughout November and December.

For details about BYTES and their performances check out the website www.bytesyouththeatre.com

Buderim Historical Society

The historical society has had a fairly busy time lately. In June we had a visit from Channel 7 and were featured on their news as an introduction to the SCRC's budget and their rates Heritage fee. We have had group visits from Hibiscus Chancellor Park, Buderim Mountain State School with their Japanese exchange students and then on 27 August we had a Garden Party to thank both the BWMCA and The Buderim Garden Club for their contribution towards our wonderful new fence and gates. The Japanese students really enjoyed their visit as well as morning tea on the veranda. It was interesting when we mentioned ginger being grown on Buderim they reacted with shudders. Then we

found out they had been to the Ginger Factory the day before and were given lots of food with ginger in it and it was all too sweet for them. We were very pleased that we hadn't included ginger in our morning tea.

Our history bus trip to Brisbane on September 16 looks like being very successful as most tickets have been sold. Late enquiries to Prue on 5445 1341.

The history talk on October 2 at 3pm will be a demonstration of lace making to complement our lace display.

Buderim Concert Band

After a very busy first half of 2010, the Buderim Concert Band is hard at work preparing for its remaining functions for the year including its "Music from the Shows" concert, a Christmas performance for the Maroochy RSL and its associated organisations, and the Baptist Church, Wises Road, Maroochydhore.

The "Music from the Shows" concert took place at the Maroochy Events Centre (on the upper floor of the RSL Club) on Sunday afternoon, at 2pm on September 12.

The pirate shown here is known to his fellow band musicians as trumpeter Evan Nagel. Evan particularly enjoyed the band's preparation for the presentation of music from *Pirates of the Caribbean*!

Local vocalists, the O'Brien Sisters of Siena College and Anita Collingwood of the University of the Sunshine Coast, also performed as part of a diverse, foot-tapping program. Proceeds from the concert will support the valuable work of the Sunshine Coast Community Hospice

The Buderim Concert Band has greatly enjoyed its work this year and has been very appreciative of the support it has received from the Buderim community.
