PRESIDENT'S REPORT

In this job you get to hear about, and sometimes be a part of, really good things happening in our Buderim Community. Recently I had the privilege of attending the AGM of the Buderim Scout Group. This is a group aflame with the Buderim spirit and doing wonderful things for young people on Buderim. This morning I attended the AGM of Buderim Red Cross. Red Cross was established some 73 years ago on Buderim and they are still going strong. Two long service awards were given out to local residents for 60 years and 50 years service to Red Cross in Queensland. There were some ten other long service awards given as well for 10 years and more service.

The Buderim Foundation is ready to fund its first grants to local community groups. They are also recipients of a grant to help youth.

A suggestion from Laurel Asimus at a recent Management Committee Meeting lead to a petition being drawn up against the removal of the name Buderim as a destination on the Highway. The petition was presented to Parliament and the relevant Minister has given an undertaking the name Buderim will be returned to the signage.

Opposite the War Memorial Hall is a little cottage owned by the Association. Named as Hepburn House, after the previous owners, the Association purchased it some years ago on urging from one of our stalwart Life Members, the late Coral Goodsir. It has been agreed by the Sunshine Coast Regional Council to purchase the

cottage block from the BWMCA to allow the land to become part of the public space in the new Kingsbridge Development. This will be a financial windfall for the BWMCA. Council accepted our independent valuation of the property. Joe Natoli and Zrinka Johnston had a lot of sway in this purchase going ahead.

Buderim is a unique community of giving people. If you have something good happening in your Affiliate Group that you think others should know about, please share it with us.

OLD POST OFFICE MANAGEMENT

We have been very pleased with the final outcome of the interior renovations of the Old Post Office. Our volunteers have received many compliments from visitors about the uncluttered look and the layout and easy accessibility of the items on display in the public area of the building.

The additional storage space under the new display cabinets has really been appreciated by our volunteers, as it was sorely needed to store bulk issues of our saleable items etc.

There are a couple of minor signage tasks to be completed, together with re-carpeting the office, installing some additional storage cupboards and replacing the old kitchen sink unit, all of which should be completed in the near future. These finishing touches should make the building a lot more user-friendly, both from an operational and visitor point of view.

I would like to thank my committee for the great job they have done in making this all possible.

Our visitor numbers for the first half of this year have grown by 5.4% to 3538, compared to the same period last year. While the number of locals visiting us has shown a good increase

(17.4%), the number of non-local callers has dropped by 8.5%.

Affiliates are reminded that we are still co-ordinating entries on the display noticeboard in Nyenaman Square. If you have any upcoming functions that you want mentioned on the board, please ensure details are left at the OPO by the 25th of the month prior to the event happening.

We have reverted to one morning a week where we have a qualified JP in attendance at the OPO. This popular free service is available between 10.00am and 12 noon each Wednesday.

REMEMBRANCE DAY

This year marks 90 years since the armistice that brought peace following the atrocities of World War One was declared. The Buderim War Memorial Community Association will commemorate this important occasion with a service in the Eric Joseph Foote War Memorial Sanctuary on Tuesday 11 November.

The Commemoration will commence at 10.40 am and conclude around 11.20 am. Music will be provided by the String Ensemble and Choir from the Buderim Mountain State School. Morning Tea will be served at the conclusion of the Service. As seating is limited in the Sanctuary, it would assist if those attending could bring a folding chair.

Poppies will be on sale for a gold coin donation at the Old Post Office during the week leading up to Remembrance Day and at the Foote Sanctuary on 11 November. Proceeds from the sale of poppies will go to the Returned and Services League of Australia to support our war veterans.

AUSTRALIA DAY 2009

The good news this year is that the Australia Day committee are in the happy position of being able to welcome three new members to its ranks plus the return of a past member. The new committee members are Peter and Yvonne Koster, Kerrin Putt and the returning member is Ken O'Flaherty. I look forward to working with each of these new members and the remaining treasured committee members who do a mighty job each year in the organising of this event.

There is unfortunately some very bad news as well and that is a disastrous reduction in the amount of funding available to us through the latest Council grants round for the holding of this event. This lack of funding could see a reduced Australia Day celebration and could place future Buderim Australia Day celebrations in an extremely precarious position unless funding in the way of grants is increased in the future, or more sponsorship is sourced from elsewhere. In short, I believe we have a fight on our hands to keep this iconic event in operation.

Sponsors who have already pledged monetary contributions so far for 2009 are RealWay Property Consultants Buderim and RealWay Property Consultants Chancellor Park. Any one who is interested in sponsoring any of the events on Australia Day 2009 should contact Evelyn Flower on 5477 1451 or Judy Rogers on 5477 0960. Sponsorship amounts for the various events begin at \$150.

Organisation for the 2009 celebrations is well under way with most bookings for entertainment already confirmed.

Plans for the introduction of several new events are also coming along nicely.

Jeff Patterson Graphics, a local company have kindly offered to design this year's program at no cost to us and we thank them very much for their generosity in this regard. This year's program will carry entry forms for 4 major events that are being held on the day so it needs to be distributed by the end of July in order that entries in the various competitions can be back in before the cut off dates for entry.

In closing, I would like to say that we are going to need all the support that we can get in order to keep Australia Day on Buderim alive for the future and I trust that support will be readily forthcoming from the people of Buderim if needed.

- Do you have some time to spare? -

Please contact the President or any member of the Executive Committee - we'd love to hear from you...

We are sometimes asked what is the relationship between The Foundation and The Buderim War Memorial Community Association?

The BWMCA is the peak community body in Buderim with a unique history dating back to 1945. Its primary roles are managing the community buildings owned by the Association, running community events, building community spirit and cooperation and welcoming new residents.

The Foundation was set up by the BWMCA in 2004 and the Association has a level of control over the Foundation, via its constitution. The BWMCA appoints the Members of the Foundation who, in turn, appoint the Directors of the Board.

The Foundation's role is about money – inviting and celebrating donations and bequests. These funds are invested for growth and income, and this income is then returned to the community in the form of grants for a range of projects and groups – including the BWMCA. The capital remains untouched to provide income in perpetuity.

The Foundation has created a special BWMCA account to which potential benefactors can elect to direct donations to the BWMCA, which ensures all income derived from those donations will be channelled directly back to the Association.

The Foundation and the BWMCA, while each carrying out their different roles, have regular liaison meetings and work closely together to create a better community for the people of Buderim.

**WELCOME TO
BUDERIM**

The numbers attending our last Welcome to Buderim afternoon tea were down on what was expected, as quite a few potential attendees did not show up, despite advising us the week before that they would be there. We are currently looking at possible minor changes to our invitation and follow-up procedure in order to prevent this happening again.

All of this meant that there was more yummy food for each of those in attendance. My sincere thanks go to our committee ladies who prepare an excellent spread each time. We were very pleased to have our State member for Kawana, Steve Dickson, attend our last gathering. Was it Steve that I heard say “I don't get fed like this at home”?!

Registrations are currently being accepted for our next afternoon tea, which is scheduled to take place at the OPO on the afternoon of Saturday August 9th. If you know of any new Buderim residents, please encourage them to register at the OPO, as we know that those who do attend really gain a lot from doing so. I was recently speaking with a couple who met two other couples at one of our welcome teas about six years ago, and all three couples remain firm friends to this day.

**BUDERIM WAR
MEMORIAL HALL**

We had a devastating graffiti attack on the rear of the Hall on the night of the public Holiday for the Sunshine Coast Show. The police recognised some of the tags but there were some new ones including one for “the Buderim boys.” We are hoping someone will come forward with some information as to who was responsible.

You will notice some new signage on the Hall noticeboards soon. One of these will include an email address for the Hall for enquiries and bookings. It will be buderimwarmemorialhall@hotmail.com

Plans are underway for renovation of the Hall toilets and work to be done on the ceiling and the floor. These are major works.

At the time of writing this we have a spare night in the Hall as the Buderim Indoor Bowls Club have moved to another venue leaving Wednesday night free. If you know of any group who may be interested please let them know.

For all information please use the email or phone 5445 2515

Buderim Foundation

The Foundation is now at an exciting phase of its development having built a big enough base of donations (over \$270,000) and accumulated enough interest to warrant making its first grants. There is an estimated funding pool of around \$15,000 to distribute in September 2008 to local non-profit organisations. From then on, an annual grant round will be made each September following a similar process. Given the limited funds, the Foundation anticipates being able to provide funds to a limited number of projects from the seven areas of interest. BWMCA affiliates can read about these areas of interest and other guidelines by collecting an application from the OPO or online at www.buderimfoundation.org.au Any questions can be directed to the Foundation's Grant Committee member: Eric Moes on 5445 3315 or Margaret Welshe on 5445 2722.

In addition to these grants we will soon be able to announce detail of a new Youth in Philanthropy Matching Incentive project. Thanks to a grant from The Foundation for Rural & Regional Renewal and matching funds from six local donors, the Foundation has an additional \$40,000 to give to youth projects in Buderim.

COMMUNITY SERVICE

Coastal Caring Clowns

Coastal Caring Clowns, a voluntary group, are experiencing another successful year (their seventh) demonstrating that indeed "laughter is the best medicine", and have continued their visits to local hospitals, nursing homes, and respite centres, as well as taking part in a number of health-related events. The monthly program of visits always includes four of the local hospitals: Caloundra, Nambour, Selangor and Sunshine Coast Private, Buderim.

Several talks about CCC's work have been given to National Seniors, Probus and View Clubs and similar organisations to raise awareness of the clowns' activities.

Having become established on the central and southern parts of the Coast, recognition is being given by generous donations from many local bodies and individuals. CCC is also investigating how it might help interested people start a similar group in the northern parts of the Coast.

There are many places, particularly nursing homes, that we would like to visit, but we just do not have enough clowns. If you would like to explore caring clowning (with no commitment initially), do please call us.

Save the Children

This year marks forty years of Save The Children presence in Buderim, and in spite of our aging membership it has been resolved to continue with our work. Our next meeting is 25 July, and our AGM is on 22 August followed by a Luncheon at Headland Golf Club.

Orders for our popular Christmas Cards have been lodged, and in due course these will be available at the usual outlets.

Although Australia is considered to be a "lucky country" not all residents have access to opportunities many of us take for granted. In view of the recent publicity given to neglected children, we must all be vigilant in taking care of disadvantaged children. The sad case in Canberra shows that even in urban areas, neglected children go unreported. It is hoped that the Future Parents' Programme run by Save the Children will eventually overcome cases such as these.

BATS Theatre Co Inc

Unfortunately the production that was being mounted at the end of July and early August has been postponed to September.

Titled “Love, Love, Love,” it will now be held September 20, 21, 26, 27, 28. The show is three one act plays all with the same cast of an older and a younger couple. The three plays are “Love or Nearest Offer”, “Love to Declare”, and “Love and Other Flushes” and are all past prize winners from the Noosa Playwriting Festivals of 2005, 2006 and 2007. They are all written by Brisbane playwright Hugh O’Brien and each contains a lovely message and beautifully drawn characters. They are being directed by John McMahon who is also playing the older male role.

The first performance on Saturday September 20 will be a benefit for the Hall Committee.

October will see a production of Picnic At Hanging Rock.

For all BATS info please phone John or Bernadette on 5445 2515.

Australian Decorative & Fine Arts Society (ADFAS)

This year is the 20th anniversary of the Sunshine Coast branch of ADFAS and it is being celebrated by special events at the end of August, including a gala dinner with a performance by William Barton, internationally renowned didgeridoo player.

In the first half of this year, the members have been treated to lectures on a wide range of topics including the art of Hampton Court Palace, Mozart in Prague, 3000 years of Ethiopian art, and most recently, the art of cricket.

There are several lectures remaining this year, covering widely different topics:

- July-“Japanese Costumes & Textiles”
- Sept-“Seeing is Believing, the Fascinating World of Colour and Visual Illusion”
- Sept-“The Shakers – Beliefs, Architecture and Artefacts”
- Oct-“Landscape & Garden Design History through the Ages”, and
- Oct-“The Life Enhancing Garden – An Appreciation of the Art of Garden Design”.

If you would like to listen to people with real expertise talking about all aspects of art and design, ADFAS provides a friendly vehicle for doing so. A light supper and a glass of wine are served after each lecture.

ADFAS meets at St Mark’s Anglican Church, Buderim, and non-members are welcome to attend lectures as guests for a small charge. For further details please contact Linda Zillfleisch on 5444 4010.

Buderim Garden Club

Once again our Spring Flower Festival will be another special event for the Buderim community. It will be held on 13 & 14 September from 9am – 4pm, with our patron Colin Campbell presenting the prizes at 2 pm Sunday and sharing his enthusiasm for gardening with all. Six gardens will be open for the Garden Walk over the 2 days. None of these gardens have been open to the public before. In the Hall the usual flower and floral art competitions, grower displays and sales are always worth seeing and a tasty lunch and other eats are available. On the Cottage Green to complement the Craft Cottage Garden Sculpture Exhibition and Sale, will be non stop workshops, led by leading growers and suppliers, plant sales and the Monster Garden Sale of used garden goods where there are bargains galore.

Make a note now to boost up those spring flowers and pot plants that you have planted for a spring flourish in your own garden, grab a schedule from the OPO nearer the time and exhibit your favourites this year to make the best show ever.

Just ring Rita for any enquiries, ph 5476 8137.

New members and visitors are always welcome to our monthly meetings, details available at the OPO. Extra activities are now on offer for more hands-on gardening for the newer residents and gardeners liking the outdoors.

Pioneer Cottage is just about ready for reopening. It has been a long haul but the building is almost new, good for another 100 years. Collections at present are being cleaned and redisplayed and out of this, with careful planning, much more will be on display. The garden is getting a major work-over and should look great by the time of the official opening.

The following functions are planned for the next two months-

- A film morning will be held on 28 July at the Maroochydoore Cinema Complex. Mamma Mia is the show and the Social Committee will be putting on a great Morning Tea prior to the showing. Tickets are \$13 each and available from the Cottage (5450 1966) or the Old Post Office.

Buderim Male Choir

What a great year for the choir so far. In April, the choir participated in the inaugural Pemulwuy National Male Voice Festival in Brisbane. Though not a competitive event, the Buderim choir was generally acclaimed as being up there with Australia's best male voice choirs. Immediately following that festival, the choir hosted the Adelaide Male Voice Choir in a sell-out joint concert in Buderim. In May, the choir participated in the Australian Voices Festival in Kenilworth and the premier showcase for Sunshine Coast choirs, Choralfest. The choir presented its major mid-year performance at the

Lake Kawana Community Centre in June, another sell-out performance that also included the Sunshine Coast Harmony Chorus and Brisbane soprano Ebony Buckle.

The next major performance is a benefit concert for the Bloomhill Cancer Help Centre at Wisers Road Baptist Church on Saturday 13 September. This concert will also feature the Sunshine Coast Youth Orchestra, and we'd love to see a huge audience turn out to see some of the Coast's finest young musicians and a choir of mostly older voices that's winning more support with every performance. And all for one of the most worthy causes around.

While musical improvement and successful performance are key goals, the choir also recognises the important role it plays in maintaining a friendly and enjoyable learning and social environment for men who want to sing. New members are always welcome and can simply turn up to our weekly practices on Monday evenings from 7.15pm at the Buderim Uniting Church hall, or phone Ed Scott on 5471 3425.

Foote Memorial Sactuary

For all the careful preservation and replacement of the native forest and ground cover that goes on in the Foote Sanctuary, the volunteers of the Association are fully aware of their responsibilities to also make it a welcoming place for Buderim residents and visitors. Over the past couple of months picnic facilities in the barbecue area have been upgraded, ground close to the covered cooking areas has been grassed and the sealed paths have been re-covered where cracks and roots were appearing. New tables and seating on two new concrete slabs have been installed, one wheelchair friendly table along with a path laid for easy disabled access is now in place. The volunteers built several tables while the Council provided two of the larger picnic table and bench sets. Indeed the new Council has picked up seamlessly from the previous, having concrete delivered on time and also providing a considerable amount of shade tolerant turf. It is left and happily so, to the volunteers to lay out, and pour the concrete slabs, lay turf and put in the footings for the benches and smaller tables.

As mentioned the Council assisted in laying new cover over a considerable distance of the sealed path including sections from the Park View Terrace and the Park Lane entry points. These works have been particularly welcomed by a new and now regular group of Sanctuary users, who term themselves the Foote Sloggers. One of the Sanctuary volunteers has teamed up the Heart Foundation to provide a regular Friday morning exercise and walking activity group, aimed at fitness to ward off heart complaints. All are welcome at 9am every Friday and of course all the new picnic facilities are accessible at all times. So enjoy the Sanctuary, actively or passively.

SC Choral Society

The Sunshine Coast Choral Society is an incorporated community choir comprising people of all walks of life and ages who love to sing mixed part choral music to a high standard. Our Music Director is Adrian King. We stage several public concerts a year, usually with professional soloists and orchestra.

In our first concert of 2008, held in June at Lake Kawana Community Centre, we presented two major works of the contemporary English composer John Rutter – Magnificat, and Mass of the Children. For the latter, we were joined by a choir from the Matthew Flinders Anglican College. Our soloists were soprano Anita Parakh-Morgan and baritone Brett Holland and our orchestra was the Sunshine Coast Chamber Ensemble. This concert delighted a large audience and was most favourably reviewed.

We have now commenced rehearsals for our next concert, A Handel Oratorio: 'Samson' on Saturday 4 October 7pm at Maroochy Baptist Church and Community Centre on Wisers Rd. Despite its popularity in the UK, **Samson** is rarely heard in Australia. We will again be performing with soloists and orchestra.

Our concerts are expensive to stage, and on this occasion we are grateful for financial assistance from the Sunshine Coast Regional Council and Arts Queensland.

Rehearsals are held each Wednesday night 6.45-9.30pm at the Lakeshore Church of Christ, North Buderim

Entry to the choir is by audition after a three-week trial period. The ability to read music is highly desirable.

New Choristers are warmly welcomed. Enquiries to our Secretary Janet Barltrop: jcbarltrop@iprimus.com.au

SC Concert Band

The last three months have been very successful for the Band, with three concerts raising considerable funds for the Nambour Special School, Heart Reach Australia and Coolum High School Chaplaincy. Band members give their time freely and all proceeds go directly to the charity involved in organising the Concert.

In a break from their traditional format, the Band shared the stage at the Heart Reach concert with Vietnamese piano prodigy Van Anh Ngyun. The mix of classical piano and the Band's more popular pieces proved to be a hit resulting in standing room only. Another concert is already booked for next year.

The emotional highlight of 2008 for Music Director, Ken Chadwick, was for the Band to provide music for the BWMCA's Anzac Day service. After growing up and living for many years on Buderim, it meant a great deal to Ken to bring his Band "back home" to take part in this event, which is at the very heart of the Association. They look forward to being invited back next year.

The remainder of this year and well into 2009 is fully booked with concerts and dances – in fact almost overbooked. Their quarterly dances are the way in which the Band raises funds for itself – to purchase new music, instruments etc. So if you enjoy a good old-fashioned dance evening, come along, support a good cause, have a fun evening and find out why the Sunshine Coast Concert Band plays to full houses all over the coast. The next dance is scheduled for Saturday July 12th at Kawana Community Centre (just behind the library) 7:30 – 11:00pm Tickets \$12.50. More information can be obtained by calling Val on 5450 6680

SC Symphony Orchestra

The Orchestra has welcomed several new players this year and we now have over 40 players under the guidance of conductor Chas Bromley. We are very grateful to another skilled conductor Adrian King who filled in for Chas recently. The Orchestra was very pleased to again receive an RADF Grant from The Maroochy Shire Council for 2007/8 to cover the conductors fees.

Grant submissions are not easy to put together and there are many types of grants and a great deal of material to be sorted through to find the one that suits your requirements and if you find someone who can do that "sifting" – treasure them! They are like gold! A non-player diligently put in a submission for our own set of percussion instruments and timpani. We are delighted to say we have been awarded this substantial grant and the new instruments will be used at our next concert. Thank you to all the people in the orchestra who contributed to the grant submission and to the Queensland Government through their Community Benefit Fund for their generosity. Our priority now is to finalize the storage of all this precious equipment.

In the submission, details were given about the possibilities of sharing the use of the equipment with other organizations. Letters of support for the orchestra were received from The Noosa Chorale and The Sunshine Coast Choral Society who need to hire timpani and percussion instruments several times a year so this grant will benefit many parts of the community.

We are always looking for new players – particularly strings and brass.

An orchestra needs an audience otherwise it's just another rehearsal! So come and enjoy being entertained.

Sunshine Statesmen Barbershop Chorus

Chorus members are looking forward to two of their most important events – our Annual Regional Convention and our Annual Charity Concert.

The Regional Convention will be held in Ipswich on Saturday 16 August, and the Statesmen will once again be competing enthusiastically for the Small Chorus Crown.

This year's concert – our second Charity Concert – will be held, as usual, at the BWMCA Hall on Saturday 30 August at 2pm and 7.30 pm. Just as it was last year, this year's event will be a charity concert with half of the net proceeds from both performances being donated to the Sunshine Coast Community Hospice. If readers would like more information on this very worthwhile charity, please refer to:

Buderim Local Ambulance Ctee

A successful stall was held by the Buderim Ambulance Benefit Committee at the Easter Fair and well supported by LAC and helpers. Thank you to all volunteers.

The Buderim Local Ambulance Committee was host to the LAC regional area meeting on 5 July at the Tanawha Meeting Hall. Buderim members attended a steering committee meeting at Caloundra to help arrange the State LAC conference at Caloundra on 22-24 May 2009.

With the Govt Audit last year, there will be no funds from QAS and LAC will have to seek sponsorships to hold the conference.

Peer trainers will be available to conduct PrimeSafe courses to school children and CPR courses for older members of the community and interested groups. Phone Beres Howard on 5445 3038 for further information.

It has been proven that the first person on the scene to administer first aid, while waiting for ambulance paramedics has increased survival rate of patients.

Acting Commr David Melville has been appointed Commissioner of Queensland Ambulance Service.

Our thanks go to all who supplied Letters of Recommendation to support our application for a grant to purchase another 12 lead defibrillator for the 3rd Emergency vehicle.

In some retirement villages, the apartments and villas have the same number. Would residents be more specific, please, in stating if apartment OR villa, when calling for an Ambulance.

Our AGM will be held at 7.30 pm on 19 August 2008 at QAS, Buderim Ambulance Station, 7 Kirby Court, Tanawha. All are welcome.

Matthew Flinders Anglican College

Matthew Flinders Anglican College celebrated another milestone with the official opening last month of new buildings, renovations and extensions at the campus.

Founding College Chairman (1989-1995) Mr Rod Forrester was on hand to officially open the new classrooms in Junior Secondary, the renovations and extensions of Central Administration and Secondary Administration, and the recently consecrated Chapel.

Principal Mr Anthony Vincent said the facilities would further extend the exceptional opportunities Flinders students had to reach their overall potential in life.

Work is almost complete on the College's Sports Centre, which is being doubled in size. These significant stages in the College's building program have been made possible by the ongoing support and financial contributions from the community. If you would like to support the 2008 Annual Giving Appeal, please contact the College.

The College's Music Department has earned high praise with students participating in the 2008 Music Scholars' Concert and the Secondary Music Concert, which was held at the Buderim War Memorial Hall. Students

then showcased their musical talents interstate on the Sydney Music Tour.

Matthew Flinders has excelled in recent events including the Regional Mathematics Tournament where students took 1st place in Years 7 and 12; the Readers' Cup with Years 7 and 9 teams earning places at the State Finals; and at the Sunshine Coast Regional Secondary Cross Country Championships where Matthew Flinders was named the overall champions. July and August will see visits from international sporting teams competing against the College's hockey, netball and rugby players, as well as host visits from two Japanese high schools, Funabashi and Tatebayashi.

Matthew Flinders has been recognised for helping to reduce Greenhouse gas emissions. The College recently received a \$45,180 Community Grant for its water savings project. By retrofitting dual flush toilets and water efficient taps, the College will reduce its water consumption as well as electricity requirements for hot water. The Community Water Grants program is part of the Australian Government's \$2 billion Australian Government Water Fund.

St Mark's Anglican Church

St. Mark's was very pleased to welcome Bishop John Parkes, the Dean of St. John's Cathedral in Brisbane to all the Holy week and Easter services

At the Maundy Thursday service the tradition of footwashing was re-enacted by the Clergy as Jesus did during The Last Supper. At the end of the Eucharist the church is stripped of all ornaments and memorials and the church is plunged into darkness. The congregation leaves in silence and the vigil of Easter begins.

It is a very moving service and was accompanied by music sung by a new Sacred Chamber group brought together for the occasion by the talented young conductor Ross Jelf. Their singing together with the congregational hymns added greatly to the significance of the celebration of The Last Supper.

The Good Friday service was as always a sombre and deeply meaningful occasion.

The 1st service of Easter at 5.30 pm on Saturday was a very special service.

Thirteen, mostly young, people were confirmed during the service by Bishop John Parkes, (his first confirmation). 3 people were received from other

denominations and 3 people re-affirmed their faith and commitment. This was a most joyous occasion for everyone involved. The 3 services on Easter Sunday were all well attended.

Bishop John preached at all 6 services and was most inspirational. He said afterwards that he was “blown away” by the high quality of worship and the impressive number of people involved.

Our clergy should be congratulated on the leadership and organizational role they played as well as the great number of parishioners who were involved.

The Friends of St Mark's have hosted a very popular “Fish and Chips” night in April and a “Pizza and Pics” night in the church in June when Father Richard and his wife Margie showed us slides of their locum time in sunny Sicily.

After the pizzas Sue Milwright showed us her slides from a trip to South America.

Machu Pichu and Llamas and lots of steep walking and mist or rain!

The next function for The Friends is The Gourmet Lunch on 13 July. These are always good get-togethers.

Our Associate priest Rev Dr Cathy Laufer gave a very interesting and entertaining talk at the Mother's Day Breakfast in May, about her trip to Canberra as a delegate for the 2020 conference in April.

The Mueller International Chamber Orchestra held a concert in St Mark's in April and will be returning later in the year. Not to be missed!

Also Operatif were here in June and will return on 21 September. Enquiries to 5445 2060.

The church is always open for a quiet moment in a busy day.

Peace be with you,

Anne Meares

**Buderim Scouts Group**

Buderim Scout Group goes from strength to strength – thanks to our dedicated leader and families.

July will see some new additions to the Buderim Scout Group – our Joey group will be up and running – this is for the littlies. What this means for our youth is the opportunity to join our group as a Joey and work their way up through the group to reach Venturer level – this is unique - not very many groups can offer this. Credit for this goes to our wonderful leaders and families who are involved and dedicated to Buderim's youth. To quote the Buderim Cub Leader Neil Parkinson “*Buderim Scout Group is an organisation that is teaching the children of today, to become tomorrow's leaders!*”

What is the next challenge for the Buderim Scout Group? We desperately need a new shed! While our group is very active in fundraising for themselves, we are finding the task of raising enough money for a new shed to be an overwhelming challenge. We need financial help from our community, because the sort of funding required is well outside that which can be raised at a sausage sizzle. We will honour our community people willing to come forward with financial help, by placing their name on a plaque, which will be displayed at our den for all visitors to see.

If you would like to help build our shed please contact me on 5476 7027 (bh) or 5476 5638 (ah). Choose to become part of our vision for youth in Buderim, teaching the children of today to become tomorrow's leaders.

National Seniors - Buderim

The AGM in July will be a critical time as volunteers are needed to fill a few vacant positions on the Management Committee. Very well attended monthly meetings on the fourth Monday morning of each month at the Buderim Bowls Club have been entertained and educated by excellent speakers. In May Robbie Litchfield gave us a fascinating account of the history and workings of the Royal Flying Doctor Service. In June we were brilliantly and humourously brought up to date with current developments in education by Anthony Vincent, Principal of Matthew Flinders Anglican College. At our Christmas in July meeting, Suncoast Legal Service will explain the dos and don'ts of buying into retirement villages and in August Vicky Orford will speak on osteoporosis.

Members who braved the bad weather here on the coast to go to the Esk Bush Bashers Show gave the performers a standing ovation. Others recently enjoyed the gastronomic delights of a luncheon at the Sunshine Coast Institute of TAFE. On Monday 4 August we're off to Ipswich for a visit to the Railway Workshops and the Nerima Japanese Gardens with morning tea and a sit down roast lunch included. There are still a few vacancies for the trip to Canberra in September, which includes visits to Dubbo Zoo, Cowra Japanese Gardens, Canberra Floriade and tours of a number of local venues. On the way home we'll visit Bowral and the Don Bradman Museum, drive through Sydney and Maitland, go to Hunter Valley Gardens and spend a night in Coffs Harbour.

Members were saddened by the passing of popular Scottish stalwart and luncheon coordinator Bill Cooper. He will be fondly remembered. Luncheons will be taken over by Dimitris Paouris, beginning with the AGM luncheon in July at Palmwoods Hotel. In September we'll dine at the Platinum Restaurant at Cotton Tree, Maroochydore. Due to the number of bookings, two Persian luncheons were recently held at the Qöm Restaurant at Peregian with members impressed by the excellent food and preparation. A large number of bookings also resulted in three 4WD outback tours being arranged. The first tour went very smoothly with good weather, food and accommodation and interesting and enjoyable sights auguring well for the next two tours. A recent visit to St Helena Island in Moreton Bay provided a memorable glimpse of Queensland convict history.

Plans are also well in hand for our Melbourne Cup and southern attractions tour in November.

Locally, our bowlers had mixed fortunes in the Probus interclub Bob Martin Shield tournament held at Palmwoods. Better fortunes were enjoyed by those who went to Caloundra Events Centre for dinner and the outstanding presentation of *Les Miserables* by our Buderim BATS cast. A subsequent visit to the same venue for dinner and the hilarious *Menopause the Musical* had us in stitches. On a more serious note, the Book Club read the Charles Dickens classic *The Pickwick Papers* in June. Speakers at our monthly meetings have given us insights into important local issues. Chris Ryan, from the Royal Children's Hospital Foundation spoke on *Working Wonders for Sick Kids* and John Fitzgerald, CEO of Tourism Sunshine Coast, enlightened us on *Sunshine Coast Tourism*.

of parliament. Members also enjoyed participation in social golf, investment and arm-chair travel groups, and dine-outs.

Upcoming social activities include "Xmas in Winter" luncheon at King Ludwigs restaurant Maleny, a three day trip to Crows Nest and Toowoomba in September for the annual garden festival, a boat cruise on Pumicestone Passage in October and Melbourne Cup luncheon at the Alexander Surf Club in November. Guest speakers at our monthly meetings will include Anne Denning talking on the life of Nancy Wake, and Denise Boyd a past Olympian talking about "An Olympic Family".

SPORT & RECREATION

Buderim Cricket Club

Even though we are in the depths of winter the Club is busily continuing to work towards the establishment of our new Club grounds at the recently acquired land in Ballinger Road Sports ground.

The land is virtually roughly cleared bush and very wet after rain. To date we have been successful in getting about one-third of the land cleared, filled and drained. This is the area designated for our all important practice nets and a car park. Over the last weeks the Club committee have been very busy putting together an extensive funding application to the Department of Sport and Recreation for a grant of \$40,000 to cover the costs of building the practice nets. If successful these nets, together with driveways and car park to be constructed by Council, will be a fantastic boost to cricket in the Buderim area.

Social activities enjoyed by club members and friends over recent months involved outings to Phantom of the Opera in Brisbane, tour of the Sunshine Coast Hinterland, visit to Government House Brisbane where members met with the retiring Governor, and a sing-along following the club's June meeting. A team from the club recently were successful in the Bob Martin Shield annual bowls competition between Probus Clubs of the Sunshine Coast. Guest speakers who have provided interesting talks at the club's monthly meetings include Nick Prass who talked on being a paramedic in Papua New Guinea and Steve Dickson the local state member

Congratulations to all the local businesses that entered mixed teams of four in the Corporate Bowls Challenge. After a fun afternoon of games and a steak and salad dinner, Action Plasterers were declared winners with Herriot Builders second and Savills third. Details and photographs are available on the Club's website at <http://buderimbowls.platypus.net.au>. There, too, you will find the businesses that sponsor the weekly prizes and raffles for the men's and women's regular bowls days, for which we are most grateful. Please give them your support. It is pleasing to see so many new members at the Club who are enjoying the fun of learning to play bowls and the pleasure of making new friends in a lively social atmosphere. Members enjoyed lunch and an afternoon of mixed fours against our Rivercity Bowls Tour friends from New Zealand. Congratulations to Bob and Alma Smith who sponsored an excellent mixed bowls day to celebrate their 60th wedding anniversary. Apart from some very successful social bowls days, the next major social event is the Christmas in July dinner and dance on Friday 25 July.

On the competitive side, most club championships have now been completed. Most outstanding performances have been recorded by Noel Spurway and Hilda Betton, who not only won the men's and ladies' singles championships respectively, but also skipped their respective triples teams to club championships. As the men prepare for the interclub pennant competition from August to October, local businesses will be preparing for the next Corporate Challenge in September. Club bowlers are psyching up for the annual State of Origin match between native Queenslanders and the 'aliens'.

S C Dog Obedience Club

There's an old saying in the dog world – 'Good owners, great dogs'. That's our major focus at the Club – to teach people how to have an enjoyable and responsible canine citizen as part of their family. And, of course, we also show owners how to have fun with their dogs through the Agility courses.

But there are other things we love doing. Pet Pep is one of them. Pet Pep is a programme set up by Australian Veterinarian Association to teach young children how to be safe and act sensibly around dogs – both their own and strange dogs. This means taking a group of four or five dogs and owners to a designated primary school. The leader of the group shows the children how to act in various dog involved situations. The dogs give a demonstration of obedience to the great enjoyment of the kids who then get a chance to pat and interact with the dogs, another high spot of the activity for them.

At the other end of the age spectrum we play host to groups of senior citizens who enjoy a 'Morning Tea at the Clubhouse'. Organised by Buderim Lionesses it is a wonderful outing for those who loved having a pet in the past but are no longer able to do so. The Lionesses provide a sumptuous morning tea and the Club provides the entertainment of an Obedience and an Agility demonstration. It is really touching to see how much pleasure this gives the guests but even more moving is the time afterwards when they chat to Club members about their memories of the pets they have had.

Getting back to basics, our next group of classes, which started on 7 July is

As always we need even more instructors, especially since we are now extending our class areas to try to keep up with the ever growing demand. SC Square Dance Centre

Our new dancers have now graduated and are enjoying all our club activities. The National Convention in Brisbane was well attended and plans are now under way for next year in Perth. TAWS (Traveling Australia With Square Dancers) had a great weekend post National at the centre. Many stayed on Buderim visiting the OPO and sightseeing. The club can now be viewed online at www.suncoasters.com.au Our 23rd Anniversary Dance weekend will be held 1, 2 and 3 August. On Saturday 11 October we will have our annual garage sale at the centre. Be early for some great bargains as well as cakes, jams and plants. Please phone regarding opening hours as donations may be left prior to the day. All enquiries to Nev & Bev McLaughlan phone 5445 1238.

Happy dancing.
